

**ST VALENTINE MASS** This Sunday in the Cathedral at 3pm the Bishop will celebrate the annual Mass to give thanks for the gift of the sacrament of Matrimony, and for those who have received and live it. If you are celebrating a special anniversary, or want to receive a blessing on your marriage, please go along and dip in the font of the Lord's blessings.

**THE SOCIETY OF ST GREGORY** exists to promote good standards of music in Catholic church prayer, celebrations & life. Each year gatherings are held to enthuse and instruct those who seek to build up good music in the church. On Sat 16th March in Newark the midlands workshop is being held, 10-4.30. The parish will happily sponsor any parishioner travelling to enjoy this event. Further information is found at [www.ssg.org.uk](http://www.ssg.org.uk) / 07540 532 785.

**DISCIPLESHIP** It was good to be among a large gathering of fellow-Catholics in Derby on Wednesday evening to be enthused by a presentation from David Wells on this theme our Bishop has chose for Lenten focus. At times hilarious, at times thought-provoking, and always encouraging, David's presentation was well worth the journey. Good to see a goodly company of greater-Glossopdale sharing the fascination.

**CONFIRMATION CANDIDATES** continue their journey of enlightenment this Sunday evening at St Mary's. We will surely escort with our prayerful support Sam, Declan, Amy, Caitlin, Miriam, Dominic & Emily in their journey to sacramental grace.

**ST BARNABAS CATHEDRAL** in Nottingham is celebrating its 175th anniversary this year. The cathedral dean has sent this message of invitation:

*Among the many different events that we have in the planning for this year, Bishop Patrick has invited all the Deaneries of the Nottingham Diocese to represent their Deanery with a floral display, placed in different locations within the Cathedral during these two celebrations.*

*I would be most grateful if you could possibly let your co-ordinators know that there will be a meeting at the Cathedral on the 27th February at 10.30am for any of the parishioners who tend to their parish flowers each week and who would be interested in giving their time to represent your Deanery. We do appreciate that for some it will too far to travel on this day at such an early time - but we are hopeful to get a good response so that we can show each group of arrangers the placement for their flowers. If any of our parishioners want to help this floral celebration, please let me know.*

**ANGELS UNAWARES** By a series of chances I have heard this week of many acts of kindness being offered by a variety of parishioners. These are quiet, unproclaimed and wholly unnoticed tokens of loving regard - acts of charity, often motivated by Divine precept - but also acts of Christian love. After we heard St Paul's peon of praise for love last weekend, it was inspiring to hear of these enactments.

Your kindnesses are not unnoticed by the Almighty! . . . and appreciated by the beneficiaries.

**DAY OF PRAYER FOR THE SICK** Monday this week finds us honouring Our Lady of Lourdes. This day is declared throughout the church as 'day of prayer for the sick'.
